

The decision to salute, in this book, the Penalty Kings, Matt Le Tissier and Rickie Lambert, prompted an updating of a list, long since compiled by Gary Chalk, of all the Saints' post-war penalty-takers.

That list was then used to produce a few tables of scorers and failures, across six pages of the book. For the benefit of the statistically-minded, the full list is reproduced here, updated to the month of the book's going to print.
